

Ethiopia Coffee Exporters Association

Coffee Cupping Form

Date: April /04/2019

Natural Yirgacheffe

Edido Arecha Yirgacheffe Coffee Grower and Exporter small holder Association - coffee owner Mekonen Figa

| Declared coffee type | Shape & make | odor | color | Cup character | Acidity | Body | Flavor |
|----------------------|--------------|-------|----------|---------------|--------------|-----------|--------|
| Natural Yirgacheffe | Good | Clean | Greenish | Clean | Mild pointed | Mild Full | Mild |

Moisture content: 10.2

Screen > 14 = 98%

Defect = 2

Expected grade = 1

Total Point = 85

Remark - The coffee sample evaluation is in 300gm. We observe from the sample, only 2 defect beans have been observed. so, in the cup summary, it has complex Aroma and flavor (floral character), smooth acidity and body with clean cup.

With Regard

Hiwot Minase

Chief Cupper
